IN RE THE MATTER OF

FRANCES SUSAN MCGINNIS

AND

AG-CHILD SUPPORT-EAST VALLEY
OFFICE

MINUTE ENTRY

Having reviewed the Stipulation filed on September 23, 2009 with the order filed on September 24, 2009, as well as the evidence presented at the July 5, 2011 trial,

THE COURT FINDS AND RULES AS FOLLOWS: The Court finds Mother's claim that she did not understand what she was agreeing to when she agreed the child could be sealed to Father in the LDS Temple is not credible; Mother agreed to the sealing in September, 2009 and claimed that she realized she had made a mistake shortly thereafter. It was incumbent upon Mother to bring this to the Court's attention immediately if this was the case, but she did nothing for the better part of two years. That being said, the Court finds Father's decision not to proceed with the sealing (in the face of Mother's opposition) commendable.

IT IS ORDERED granting Father's request for an award of attorneys' fees and costs incurred in conjunction with enforcing the parties' stipulation regarding the sealing. Father shall file a *China Doll* Affidavit and related documents to Mother and the court within twenty (20) days. Mother shall have twenty (20) days in which to file an objection. If no timely objection is filed, Father's request shall be granted. If an objection is filed timely, the Court will set a brief Evidentiary Hearing.
